

Dear Friend,

The French radiological society intends to offer a Jacques Sauvergrain grant designated to one young radiologist from your country. This grant is designated to afford to the chosen applicant to participate at the " Journes Francaises de Radiologie " that will take place the 15-19 of October 2005 at the CNIT in Paris La Defense. The trip charges will be covered up to 305 euros and the allotment will be taken in charge for 6 nights. The chosen participant will also be offered to participate at several social events.

I will be grateful if you could include in the selection of your candidate the following criteria:

Board certified in radiology

Less than 35 years old

Francophone and Francophile

Never have been before if possible at the " Journes Francaises de Radiologie "

The name and address of the chosen candidate should firmly reach us before June 15 2005.

I hope you will accept my offer and while waiting for news from you, dear friend, I hope you will accept my sincere wishes

Professeur Guy Frija,
Secrétaire General
de la Société Française de Radiologie
